

Rio Grande Council of Governments Request for Qualifications Annual Financial Audit Services

I. Introduction

The Rio Grande Council of Governments (RGCOG) is soliciting proposals for providing audit services in accordance with the specifications provided herein. The selected firm will provide services as an independent contractor to perform the audit services described in the Scope of Services section of the document. All responses must address the requirement, terms, and conditions as set forth in this Request for Qualifications. It is the Rio Grande Council of Governments' intent to retain the successful firm to perform the council's annual audit for fiscal years ending September 30, 2022, 2023, 2024 with the option to renew the contract for two additional years.

SCHEDULE OF EVENTS: RGCOG reserves the right to change the dates shown below upon written notification.

II. Scope of Services

The audit services are for the performance of the Rio Grande Council of Governments Annual Financial and Compliance Reports. The financial audit examination will be made in accordance with auditing standards generally accepted in the United States of

America, standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, provisions of relevant Governmental Accounting Standards Board statements, Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and the State of Texas Single Audit as well as the Texas Public Funds Investment Act as amended. The primary purpose of the examination will be to express an opinion on the financial statements. If conditions are discovered which lead to belief that material errors or other irregularities exist, the independent auditor will promptly advise the RGCOG management.

The audit of the financial statements is to determine whether (1) the financial statements present fairly the financial position, results of operations, and cash flows or changes in financial positions in accordance with generally accepted accounting principles, and (2) whether the RGCOG has complied with laws and regulations for those transactions and events that may have a material effect on the financial statements. The financial related audit will also include determining whether (1) financial reports and related items are fairly presented, (2) financial information is presented in accordance with established or stated criteria, and (3) RGCOG has adhered to specific financial compliance requirements.

As part of the general purpose financial statements, the annual audit will also include obtaining an understanding of the council's internal control and reporting any reportable condition relating to the internal control systems coming to the attention of the auditors. To comply with the 2CFR 200 a study and evaluation of internal control will include internal accounting and administrative controls for all major federal financial assistance programs, in accordance with standards for risk assessment for major federal financial assistance. Any material weakness noted during the study and evaluation of internal accounting and administrative controls and other kinds of noncompliance and questioned costs will be reported in compliance with the State of Texas Single Audit Act.

As part of the audit of the financial statements, transactions and records pertaining to federal programs will be tested for material

compliance with federal laws, rules, and regulations; and all instances of noncompliance will be reported to the RGCOG management.

The Annual Financial and Compliance Reports should contain at minimum the following reports and any new reporting requirements:
